

AMAOCLEAN

Your trusted partner in offshore work security

ABOUT US

"AMAOCEAN, a Morocco-based company, specializes in providing top-tier offshore work security solutions. Founded by an experienced ex-FLO and Captain, we serve clients in seismic activities, drilling, and underwater cable repair and installation."

OUR SERVICES

A man in a light blue shirt is shown in profile, talking on a telephone. He is in a control room or office with several computer monitors. The background is bright and slightly blurred, suggesting a window or large screen. The overall tone is professional and focused.

PORT COORDINATION AND SENSITIZATION

We manage sensitization campaigns and local maritime coordination to ensure safe offshore operations.

WATCH BOAT HIRE

Our well-equipped boats, manned by experienced crews, escort operator ships to ensure clear communication with local fishermen and safe working conditions."

OUR EXPERTISE

Led by our founder, a seasoned ex-FLO and Captain, we bring extensive industry knowledge and firsthand experience to our operations. We've successfully completed numerous offshore operations across Morocco, demonstrating our reliability and excellence."

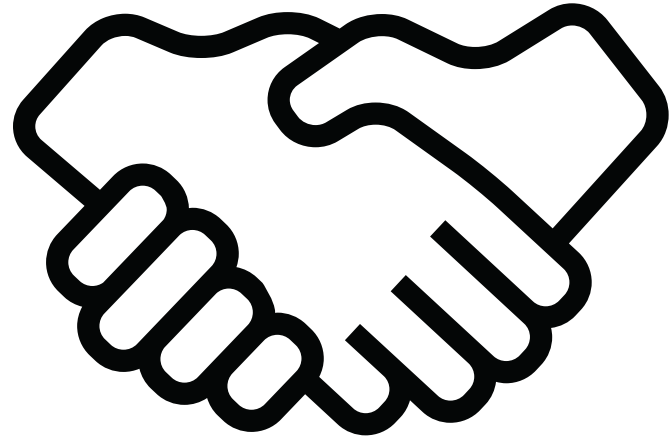

OUR SUCCESS STORIES

We've delivered successful operations across Morocco, from seismic projects in the south to underwater cable repair in the north. Each operation reinforces our reputation as a trusted partner in offshore work security."

CLIENT TESTIMONIALS

Our clients' satisfaction speaks volumes about our services. They appreciate our commitment to safety, our reliability, and our efficient coordination."

OUR COMMITMENT

We are committed to safety, reliability, efficiency, sustainable practices, and community engagement. At AMAOCEAN, we prioritize the safety and success of our clients' offshore operations."
